

## Steam Box Regulation

- A. Students **SHALL NOT** operate the steam box by themselves.
- B. Please take your lunch box to the administration office no later than 9:10am every morning. The steam box will take 2.5 – 3 hours to heat. The lunch box will finish heating around 12:00pm. Please wait for the admin teacher to get the lunch box. Students **SHALL NOT** get near to the steam box.
- C. The suitable container for the steam box will be metal, ceramic, glass, or oven proofed container. Paper, plastic, Styrofoam **CAN NOT** be put in steam box.
- D. Student steam box is in the room (next to the teacher's office). If student forgets to take his/her lunch box to the admin office before 9:10am, student may ask the admin office for help. The office will use the **steam cooker** instead after 12:00pm. But it will take longer time.
- E. Microwave is not opened to students for the safety and health issue.
